The Damned

Hey, Keith Alright Outta my mind on a Saturday night Nineteen seventy seven babies rollin' in sight Radio's burning up above Beautiful baby, be my love Alright, feel cool always Alright, feel cool always I feel alright, I feel alright I feel alright Where's your baby? Burn my heart Take your baby, burn my heart Fall apart now baby, fall apart Where's your baby? Burn my heart Alright, feel cool always Alright, feel cool always I feel alright, I feel alright, I feel alright I feel alright, I feel alright Outta my mind on a Saturday night Nineteen seventy seven babies rollin' in sight Radio's burning up above Beautiful baby, be my love Alright, feel cool always Alright, feel cool always I feel alright, I feel alright, feel alright Feel alright, feel alright [Incomprehensible] Alright, alright
