

## Shut It

The Damned

Every time I talk to you  
It's plain to see it's always indecision  
Plain as all the faces that you know  
Always turn their back on you  
And every time you open  
Up your mouth - shut it  
You're playing around with my heart  
Leaving me opened up and bleeding  
You laugh at me but it's plain to see  
I'm not going to take this thing  
You're laying down on me  
Why don't you open your mind  
Or, shut it - shut it, shut it  
Why don't you just shut it!  
Every time I talk to you  
It's plain to see it's always indecision  
Plain as all the faces that you know  
Always turn their back on you  
And every time you open  
Up your mouth - shut it, shut it, shut it  
Shut it!  
Why don't you just shut it!  
Every time you open  
Up your mouth - shut it
