We've been crying now for much too long
And now we're gonna dance to a different song
Gonna sream and shout til my dying breath
Gonna smash it up til theres nothing left

Oooh ooh smash it up, smash it up, smash it up Oooh ooh smash it up, smash it up, smash it up

People call me villain oh its such a shame Maybe its my clothes must be to blame I don't even care if I look a mess Don't wanna be a sucker like all the rest

Smash it up

Smash it up, you can keep your krishna burgers Smash it up, and your Glastonbury hippies Smash it up, you can stick your frothy lager Smash it up, and your blow wave hairstyles

And everybodys smashing things now I said everybodys smashing things now yeah
