

I get up and save the world
And though it may be a game
I know it may sound absurd
But I dig the challenge
Gotta hit the sites
Because I'm always surfen', always surfen'
Surfen' for my life
Chatting with a new made chum
Doesn't know I look a bum
She thinks that I'm 6 foot 3
Look like Jason Priestly
Gotta hit the sites
Because I'm always surfen', always surfen'
Surfen' for my life
Surfen' - Looking for a new dention
Surfen' - Something for my attention
Surfen' - Fire my imagination, Russian porn or new playstation
I get up and save the world
And though it may be a game
I know it may sound absurd
But I dig the challenge
Gotta hit the sites
Because I'm always surfen', always surfen'
Surfen' for my life
