

## I'll Be Around

The Damnwells

You go on leaving all of yourself  
You go on keeping everything else  
So come in dreaming no one can tell  
'Cause you always wear it well

You go on ringing every bell  
You know my demons are too bold for hell  
I kept you letters for nobody else  
I'm keepin you all to myself

So come on bleeding  
'Cause my lines completing  
You ride in knockin the widower  
Right to the ground

I'll be around, I'll be around  
I'll be around, I'll be around

You come on burning me into yourself  
You go on leaving your ghost on my shelf  
The lights are dark at the Nile of your well  
Come on lonely case me a spell

You come on seething  
'Cause my lies we're cheating  
You ride in knocked the widower  
Right to the shelf

I'll be around, I'll be around  
I'll be around, I'll be around, yeah

I'll be around, yeah I'll be around  
Oh I'll be around, I'll be around, I'll be around
