I'll Be Around

The Damnwells

You go on leaving all of yourself You go on keeping everything else So come in dreaming no one can tell 'Cause you always wear it well

You go on ringing every bell You know my demons are too bold for hell I kept you letters for nobody else I'm keepin you all to myself

So come on bleeding 'Cause my lines completing You ride in knockin the widower Right to the ground

I'll be around, I'll be around I'll be around, I'll be around

You come on burning me into yourself You go on leaving your ghost on my shelf The lights are dark at the Nile of your well Come on lonely case me a spell

You come on seething 'Cause my lies we're cheating You ride in knocked the widower Right to the shelf

I'll be around, I'll be around
I'll be around, I'll be around, yeah

I'll be around, yeah I'll be around
Oh I'll be around, I'll be around, I'll be around
