What You Get

The Damnwells

Say, what you wanna say but it don't matter Do what you wanna do but we don't care You haven't anything that we would bother You haven't anything that we would dare

That's what you get for being afraid That's what you get for staying away

Say, what you wanna say but it don't matter Do what you wanna do but we don't care You haven't anything that we would bother You haven't anything that we would dare

That's what you get for being afraid That's what you get for staying away

Go on regret do it anyway That's what you get for being afraid
