

You Don't Have To Like Me To Love Me

The Damnells

Honey I know it's late but I'm on a roll with you
I'm on a roll with you
The sugar is on

Honey I know your faith is making a ghost of you
It's making a ghost of you
So why don't you let me take you home

So come on
Surrender to this here pretender
For once in your life don't dare consider a cold hungry shiver
'Cause I'm your fire tonight
I'm your contender for cheap silly splendor
And you're my restless bride
And you don't have to like me to love me tonight

Honey I know you're tight
So come have a drink with me
Come take a sip of my crooked teeth and wine

Honey I know you're bright
You're blinded with apathy
Your body's a ministry but darlin if you're 18 I'm 23

So come on
Surrender to this here pretender
For once in your life don't dare consider a cold hungry shiver
'Cause I'm your fire tonight
I'm your contender for cheap silly splendor
And you're my restless bride
And you don't have to like me to love me tonight

Oh
Don't be a fool
I'll take good care of you
Nobody at school can tease me like you
Should we never be ours
Leave it all to skies and the scars
Please don't love me alone tonight

So come on
Surrender to this here pretender
For once in your life don't dare consider a cold hungry shiver
'Cause I'm your fire tonight
I'm your contender for cheap silly splendor
And you're my restless bride
And you don't have to like me to love me
No
You don't have to like me to love me
You don't have to like me to love me tonight
