

## Dick

The Dandy Warhols

I've said everything I could do.  
Think everything I could be.  
Heard every word without listening  
I'm a dick

Known everything that was true  
Seen everything I could see  
Done everything I Could be  
I'm a dick,  
Waiting to be kicked

I've read everything I could read  
everything I could  
Seen everything I could see  
Been everything I could be  
I'm a dick  
Waiting to be kicked  
I'm a dick,  
Waiting to be kicked
