

Hells Bells

The Dandy Warhols

I'm rolling thunder, pouring rain I'm coming on like a hurricane
My lightning's flashing across the sky You're only young but
you're gonna die I won't take no prisoners won't spare no lives
Nobody's putting up a fight I got my bell I'm gonna take you to
hell I'm gonna get ya, satan get ya

Hell's bells Hell's bells, you got me ringing Hell's bells, my
temperature's high Hell's bells

I'll give you black sensations up and down your spine If you're
into evil, you're a friend of mine See the white light flashing
as I split the night 'Cause if good's on the left then I'm sticking
to the right I won't take no prisoners won't spare no lives
Nobody's puttin' up a fight I got my bell I'm gonna take you
to hell I'm gonna get ya satan get ya

Hell's bells Hell's bells, you got me ringing Hell's bells, my
temperature's high Hell's bells

Hell's bells, satan's coming to you Hell's bells, he's ringing
them now Those hell's bells, the temperature's high Hell's bells
, across the sky Hell's bells, they're taking you down Hell's bells,
they're dragging you down Hell's bells, gonna split the night
Hell's bells, there's no way to fight Hell's bells
