

## Insincere

The Dandy Warhols

I might sound insincere,  
'cause I'm wasted all the time. I've  
Thought it over and  
It's over  
It's over  
It's over  
It's over

I'd like to thank you, my dear.  
In less than a year.  
It's over  
It's over  
It's over  
aaah
