## Love Is the New Feel Awful

## **The Dandy Warhols**

I don't know where I said anything like that. I really fucked i t up So what about you convincing me all the time all my aching life forget all and what about me deciding you all of the time my aching life forget all Announcing me is all about you all of the time my aching life. Forget all And what about me deciding you all the time of my aching life forget all. It's all about you convincing me all the time all my aching life forget all and what about me deserving you of the time of my aching life forget all So what about you what about you of my aching life forget all.
