

Love Song

The Dandy Warhols

Love song You're the only one I really wanna see It takes time,
make time, make time to be there Make time to be there

Love song Blister in the sun I really wanna see I take time, ma
ke time, make time to be there Make time to be there

Love song You're the only one Love song You're the only one Lov
e song You're the only one Love song You're the only love song,
love song My love song My love song My love song

My love song My love song My love song My love song Love song,
love song
