## The Dandy Warhols

Yeah,  
I could rock her like a doctor,  
If I found a way to get her off first.  
I could own her, the crazy loner,  
If I found my way to Minnesoter.

Yeah,  
In a slumber, I'm sawing lumber,  
I saw my baby dance a latin number  
With her shirt off, Man, her skin's soft.  
But in a mood, she'd rather if I jerked off.  
If I found my way to Minnesoter  
Minnesoter  
Yeah

Yeah,  
I could rock her like a doctor,  
If I found a way to get her off first.  
I could own her, the crazy loner,  
If I found my way to Minnesoter.

Yeah, if I found my way to Minnesoter,  
Yeah, if I found my way to Minnesoter, Oh  
Minnesoter, Oh  
Yeah
