

## Nothin' to Do

The Dandy Warhols

I like to hold on my baby  
She likes to hold on me, too  
Like something for nothing  
That she can hold on to.

Where we been lately,  
Second avenue  
To call on Brent Mackerel  
Or we can find someone new

Oh, oh, oh, oh, oh, oh

I really like it better,  
Like it better than you.  
And if you got a problem,  
Well, we had nothing to do  
Here we go baby,  
Yeah, with the cats from Swoon  
And if we got a quarter,  
We call Sugarboom, chka chk boom.
