

# The World The People Together (Come On)

The Dandy Warhols

Oh, you get what you get Feel, what you will when you are with  
your friends Oh, ----- you Just wanna feel love When  
you head, so you head, oh

Oh, but you get and you do Oh, I was there when you don't know  
what else to do Oh, and the love that you get is exactly what y  
ou do Dave

And you love what you make Oh, hey, yeah Hey, yeah

The world, the people Together, come on

The world, the people Together, come on

Oh, you get what you get Feel, what you will when you are with  
your friends Oh, ----- you Just wanna feel love When y  
ou head, so you head

The world, the people Together, come on

The world, the people Together, come on

Oh, don't you get into Oh, I was there when you don't know what  
else to do Oh, 'cause I love that you care But exactly with th  
e love but you do Dave

I love that you wake Oh, hey, yeah Hey, yeah

The world, the people Together, come on

The world, the people Together, come on

The world, the people Together, come on

The world, the people Together, come on
