Does it make it right ?  
Like I always said child  
â??Life is hardly black and whiteâ??  
When your

Messin', Messin' Around

Girl slide up to you  
Lightening bolts in her eyes  
You know her actions  
Speak louder than words  
You know that its hard to fight

Messin', Messin' Around

So  
Keep coming on baby  
Keep coming on strong  
Maybe you can save me

But before too long  
We'll be coming on baby  
We'll be coming on strong  
My dead eyes will open to light in this world  
Before too long

If its pure and its simple  
Does it make it right ?  
Like I always said child  
â??Life is hardly black and whiteâ??  
When your

Messin', Messin' Around

So  
Keep coming on baby  
Keep coming on strong  
Maybe you can save me

But before too long  
We'll be coming on baby  
We'll be coming on strong  
My dead eyes will open to light in this world  
Before too long

Messin', Messin' Around
