

A New Kind Of Love

The Dave Clark Five

My baby doesn't love me no more
She doesn't need my love
My baby doesn't love me no more
She doesn't need my kisses and my hugs
All she thinks of is runnin' around
Never thinks of settlin' down
So I'm leavin'
Yes, I'm leavin'
I'm gonna find myself
A new kind of love
Oh, ho

She said she'd had enough of me
Yet I gave her all I had
Though I know her lovin' was good
Most of the time she made me sad
All she thinks of is runnin' around
Never thinks of settlin' down
So I'm leavin'
Yes, I'm leavin'
I'm gonna find myself
A new kind of love

I don't think she'll come back to me
'Cause she's the one that said good-bye
I don't think she'll miss me
'Cause she's goin' on out to have one good time

My baby doesn't love me no more
She doesn't need my love
My baby doesn't love me no more
She doesn't need my kisses and my hugs
All she thinks of is runnin' around
Never thinks of settlin' down
So I'm leavin'
Yes, I'm leavin'
I'm gonna find myself
A new kind of love
Oh ho, whoa, whoa, whoa
A new kind of love
Oh ho, ho, ho
A new kind of love
Yeah, yeah, yea-ah
A new kind of love
