

I Miss You

The Dave Clark Five

I miss you, won't you ever know
I miss you, did you have to go
I may be wrong to just keep on
But I miss you, that's all that I do, do

See you, walkin' on your own
I see you, you'd rather be alone
I may be wrong to just keep on
But I miss you, that's all that I do

I want to give you all my love
But I know that it's wrong
I want to see you just once more
It wouldn't take very long, oh-oh

Will you, please say for sure
Will you, love me any more
I may be wrong to just keep on
But I miss you, that's all that I do
I do, I do-oo-oo-oo
