

I Need Love

The Dave Clark Five

I need love
Oh, I need love
If you want lovin' baby then you want some more
I'll come straight on round and knock upon your door

'Cause I need love (love)
Oh, I need love (love)
If I see your eyes shinin' oh so bright
And they're shinin' in the middle of the night

If you want lovin' baby, then you want some more
Just let me know and I'll be knockin' on your door
Cause I need love (love)
Oh, I need love (love)

You know I need love
Yes I need love
You see me with another girl and that starts complications
Don't be angry baby, please be patient

'Cause I need love (love)
You know what I need, you know I need love (love)
I may kiss some other girls but baby, please don't worry
You know that I'll come back but please don't make me hurry

If you see me with another girl and that starts complications
Don't be angry baby, please be patient
'Cause I need love (love)
You know what I need love, I need love (love)

You know I need love
You know I need love (love)
Oh-whoa-whoa-whoa, I need love (love)
You know what I need, I need love

I need love (love) love, love
I need love (love) love, love
I need love (love) love, love
I need love (love) love, love

You know, you know, you know, you know
You know, you know, you know what I need
I need, I need you, you, you, you
I need love (love) love, love

I need love (love)
You know what I need (love) love (love)
You know what I need (love)
I need love, I need love (love)

I need love, love, love, love, love (love)
Oh-whoa-whoa-whoa-whoa-whoa
I need love (love) love, love
I need love (love) love, love

I need love (love) love, love
I need love (love) love, love
