

# I Said I Was Sorry

The Dave Clark Five

I said I was sorry  
For making you cry  
I said I was sorry  
I wanted to die

Won't you forgive me  
And say that everything's all right  
I said I was sorry  
What more can I say?

I saw when you left me  
The tears in your eyes  
How could you forgive me  
For tellin' those lies?

Won't you forgive me  
And say that everything's all right  
I said I was sorry  
What more can I say?

I know I'm to blame  
Oh, if we could only start again

I said I was sorry  
For making you cry  
I said I was sorry  
I wanted to die

Won't you forgive me  
And say that everything's all right  
I said I was sorry  
What more can I say?

I know I'm to blame  
Oh, if we could only start again

I said I was sorry  
For making you cry  
I said I was sorry  
I wanted to die

Won't you forgive me  
And say that everything's all right  
I said I was sorry  
What more can I say?  
What more can I say?  
What more can I say?  
What more can I say?
