

Mighty Good Loving

The Dave Clark Five

Some people tell me
That you're no good
And they say you'll hurt me
But I know you never would

Cause you've got mighty good lovin' baby (oh whoa whoa)
Mighty good lovin' baby (you've got it)
Mighty good lovin' baby
Mighty good lovin'

They'll say you'll leave me
Find somebody new
Tell me that you'll grieve me
But I know you never would

Cause you've got mighty good lovin' baby (you've got it)
Mighty good lovin' baby (you know you got it now)
Mighty good lovin' baby
Mighty good lovin'

So please make them know you'll be true
If you ever go I'll be blue

Some people tell me
That you're no good
And they say you'll hurt me
But I know you never would

Cause you've got mighty good lovin' baby (you know you got it)
Mighty good lovin' baby (oh-oh-oh)
Mighty good lovin' baby
Mighty good lovin'

So please make them know you'll be true
If you ever go I'll be blue

They'll say you'd leave me
Find somebody new
Tell me that you'll grieve me
But I know you never would

Cause you've got mighty good lovin' baby (oh you've a-got it)
Mighty good lovin' baby (mmm-mmm-mmm)
Mighty good lovin' baby
Mighty good lovin'
Mighty good lovin'
Mighty good lovin'
