The Dave Clark Five

In and out of the Red Balloon  
Marry the farmers daughter  
Sleepy heads in the afternoon  
Callow la, callow la Vita..... OH!

In and out of the Red Balloon  
Marry the farmers daughter, yeah

Well the old man passed me by  
And he didn't hear me cry  
I didn't know his name  
And he didn't come again  
The sun was coming out  
And the kids began to shout  
The dogs began to bark  
In that lovely Paris park... OH!

In and out of the Red Balloon  
Marry the farmers daughter  
Sleepy heads in the afternoon
