

'til The Right One Comes Along

The Dave Clark Five

Till the right one comes along

It's not the first time it's happened to me
Cause every girl I seem to get leaves me
But I'll keep on trying
Till the right one comes along
Oh, oh, oh

Every time I think "this is the one"
All she'll do is get up and run
But I'll keep on trying
Till the right one comes along

I've tried so hard but it seems no use
Cause every time I get to like somebody
They just get up and leave
And it gives me the blues

It's not the first time it's happened to me
Every girl I seem to get leaves me

But I'll keep on trying
Till the right one comes along
Oh, oh, oh

I've tried so hard but it seems no use
Cause every time I get to like somebody
They just get up and leave
And it gives me the blues

Every time I think "this is the one"
All she'll do is get up and run
But I'll keep on trying
Till the right one comes along
Oh, oh, oh
I'll keep on trying
Till the right one comes along
Oh, oh, oh
I'll keep on trying
Till the right one comes along
