

Your Turn To Cry

The Dave Clark Five

The time has come
For me to say goodbye
You've had your fun
Now it's your turn to cry

You played around
With everyone you found
You didn't even care
If it got around

It's your turn to cry
The tears from your eyes won't bring me back again
You'll remember my words now I've gone
It's your turn to cry

I've tried so hard to make you understand
I'd give you the world if by me you would stand
You didn't even care if it caused me pain
So I just go out walkin' in the rain

It's your turn to cry
The tears from your eyes won't bring me back again
You'll remember my words now I've gone
It's your turn to cry

I'm glad it's over and it's done
(He don't love you no more)
It's you that's lonely, I'm the happy one
(He's not sad anymore)

I've turned the tables, now it's you
(You want him back again)
Who wants me, needs me
Said she'll never make me blue

The time has come
For me to say goodbye
You've had your fun
Now it's your turn to cry

You played around
With everyone you found
You didn't even care
If it got around

It's your turn to cry
The tears from your eyes won't bring me back again
You'll remember my words now I've gone
It's your turn to cry
