Five four one five oh two, what is the number? Sixty, west sixty, what street is the street? There is a girl on the fourth or fifth floor Buzz at reception, slightly disheveled Ask for Jill Ask for Jill

She'll run, she'll hide When you try to confide What you feel inside, what you feel inside

Now that the building Jack built is for sale Now that Jonah has swallowed the whale Don't stand still, ask for Jill

She'll run, she'll hide When you try to confide What you feel inside, what you feel inside

Cut it hot, cut it up, cut it clean, cut it slow When she walks in, pre-groove echo (echo)
Ask for Jill

Hey, it's Chris... what's up? So I heard... Well look, let's not beat around the bush. Oh, really?... yeah, I'll hold.
