

Black And White

The dB's

I, I never would hurt you
But even if I did you
You never would tell me
Oh, we are finished
As of a long time ago
As of a long time ago
I stop

I don't enjoy you anymore
Well I guess I just don't enjoy you anymore
Well I guess it's all laid out in black and white
You don't like it at all

Love
Love is the answer
To no question
But thanks for
Oh, the suggestion
I know I don't care at all
Yeah, I know I don't know anything at all
But I stop

I don't enjoy you anymore

Well, I guess I just don't enjoy you anymore
Well, I guess it's all laid out in black and white
You don't like it at all
You don't like it at all
You don't like it at all
(In black and white)
