

# I Can't Look Her In The Eye

The dB's

I can't look her in the eye  
I can't look her in the eye  
Every time I do it gets her mad mad mad  
Every time she's mad it makes me glad glad glad that  
I can't look her in the eye

X-ray specs, light reflects  
She's burnin' a hole in my soul  
I get in her line of fire, get hotwired  
Say things just to confuse the issue at hand  
You understand  
Only the wrong survive

I can't look her in the eye  
I can't look her in the eye  
Every time I do it makes her cry cry cry  
Every time she's cries I wanna run and hide cause  
I can't look her in the eye

Ay-ay-ay  
What have I done  
What did I do to deserve this feeling of  
Oh my my  
Hey, what have we here?  
What to her wondering eyes appear to me  
Hey, wait and see  
And see what happens next

I can't look her in the eye  
I can't look her in the eye  
Every time I do it makes her mad mad mad  
Every time she's mad it makes me glad glad glad that  
I can't look her in the eye

And if looks could kill  
Then hers sure will  
And if I were dead  
She might hang somewhere else instead

Hey hey hey  
What do I say  
No sir  
What do you know know know  
No no no  
Rather you punchin' me out than  
Sittin' through this this this, I'm remiss  
Let's kiss and break up, because, because

I can't look her in the eye  
I can't look her in the eye  
Every time I do it makes her mad mad mad  
Every time she's mad it makes me glad glad glad that  
I can't look her in the eye  
Every time I do it makes her mad mad mad  
So I can't look her in the eye yi yi
