

## Living A Lie

The dB's

You were wondering why  
I just can't talk about anything  
Is it because  
I just can't talk to you  
Would you prefer  
To talk at length about anything  
Just to keep you from starting to cry

You're wondering why  
You get no satisfaction  
Is it because  
You just can't sleep at night  
Or would you prefer  
Some non-stop no-love action  
Just to keep you from wondering why

I'm living a lie  
I'm just living a lie  
I'm living a lie  
I'm just living a lie

And if I keep on living  
The way I have been living  
You will come to me and say all has been forgiven  
But I didn't do anything wrong  
I've just been living a lie too long, too long

You were wondering why  
I keep up this illusion  
Is it because  
I hurt too much to hurt  
Or would you prefer  
We act like nothing's happening  
Just to keep you from living a lie

I'm living a lie  
I'm just living a lie  
I'm living a lie  
I'm just living a lie
