

Molly Says

The dB's

I was up pacin' the floor
When the call from the station came
She was on her way out of town
And she wanted to know if I'd gone insane
Well, I might
But I doubt if that changes things
She said yeah, you're right
So I hung up the phone
'Cause I don't wanna hear what
Molly says
Molly says

She could stand at the top of the world
And still complain that she could not see
She could stand in a deep dark hole
And still look down on me
She could stand a man who was lost
But it's just not me
'Cause I just get cross when
Molly says
Molly says
Molly says

Molly says in a number of ways
I reminder of her old man
He was good, he was kind
But the family would mind
And I don't think you understand
I didn't like her old man that much to begin with

She could stand at the top of the world
And still complain that she could not see
She could stand in a deep dark hole
And still look down on me
When Molly says
Molly says
Molly says
Molly
