

Rendezvous

The dB's

Rendezvous in Memphis, looking for the sun
Goin' down to Memphis, destination fun
Never mind the weather, someone meet me there
Someone gonna take me shake me break me

Rendezvous in Memphis, looking for the King
Hidin' out in Graceland, countin' all his rings
Takin' care of business doesn't mean a thing

It was a runday-runday-runday-rendezvous
Runday-runday-runday-rendezvous
Runday-runday-runday-rendezvous
Runday-runday-runday-runday-runday-runday

Rendezvous, in Memphis, looking for the sun
Hire me out a hitman, send him with a gun
Unfinished business, well someone meet me there

Someone gonna take me shake me break me
One who's gonna make it good
Someone gonna take me shake me break me
One who's gonna make it good

It was a runday-runday-runday-rendezvous
Runday-runday-runday-rendezvous
Runday-runday-runday-rendezvous
Runday-runday-runday-runday-runday-runday

Runday-runday-runday-rendezvous
Runday-runday-runday-rendezvous
Runday-runday-runday-rendezvous
