

Running Over

The dB's

I'm running over
Running over
I'm running over
Running over
I'm running over
Running over
I'm running over
Running over

I'm running over
Things I do love
It means so much to me
I want the world to see
I'm running over
Running over
I'm running over
Running over

I just found out today
I've got a lot to say
I'm running over

I never saw the cup
I just said fill it up
I'm running over
Running over
I'm running over
Things I do love

It means so much to me
I want the world to see that
I'm running over
Running over

I once woke up to find
So much had crossed my mind
I'm running over

I just found out today
It all just slipped away
I'm running over
Running over
I'm running over
Things I do love

It means so much to me
I want the world to see
I'm running over
Running over
I'm running over
Running over
I'm running over
Running over
I'm running over
Running over

I'm running over

Things I do love

It means so much to me
I want the world to see
I'm running over
Running over
Running over
Running over
Running over
