She's Green I'm Blue

She's got something that she wanted to say I wouldn't listen, no I'd run away All my pals are out tonight So why I am I so uptight? She's green, I'm blue

In the morning moving kind of slow By the evening, didn't want to know Up ahead the moon is bright But here on Earth it's dark as night She's green, I'm blue

All of my life I had one thing All of your life you had two You thought that you were my only I thought that I was your fool

She had something that she wanted to say I wouldn't listen, no I ran away All my pals were in a fight So why I was I so uptight She's green, I'm blue She's green, I'm blue, blue, I'm blue

That's when I first said The dB's
