

# Tearjerkin'

The dB's

Are the boys gonna cry now?  
Yeah, they're jerkin' the tears  
And you've made up your mind  
You're gonna be yours  
Lots of things gonna change now

Are the girls gonna smile now  
Grinnin' from ear to ear?  
'Cause I've made up my mind  
I'm gonna be mine  
Lots of things are deranged now  
Lots of things gonna change now

You can take a photograph  
Take another one of those  
You can take off your clothes  
Take the covers off the bed  
But don't take back what you said

Remember, remember  
I'll be here  
If you're jerkin' the tears  
Jerkin' the tears

Is the room gonna shake out?  
Like it's been doin' it for years  
And we've made up our mind  
You're gonna be mine  
Lots of things gonna change now

Now they're moving in circles  
Are they dancing in spheres?  
And we've made up my mind  
We're gonna be ours  
Lots of things are deranged now  
Lots of things looking strange now

You can take a photograph  
Take another one of those  
You can take off your clothes  
Take the covers off the bed  
But don't take back what you said

Remember, remember  
It's like this  
If you're jerkin' the tears  
Jerkin' the tears

Don't you change your mind  
Don't you change your mind  
Don't you change your mind  
Break up your mind (I know you're thinking about it)  
Don't you change your mind (I know you're thinking about it)  
Don't you change your mind ('cause I've been thinking about it too)  
Don't you change your mind (don't know what I'm gonna do)
