

Tell Me Two Times

The dB's

Tell me two times
About your other lovers
At the institute
And underneath the covers
Say it once again
I'll keep it confidential
'Cause I understand
We can't be sentimental

Tell me yes
Tell me no
Tell me stop
And then it's go go go
Tell you what
Say anything
'Cause with you girl
It's always bang bang bang

Got the good looks
Of a Mata Hari
All the little lies
Are hidden in my diary
So the rumor goes
Anywhere the liquor flows
It's a question of
Animal biology

Tell me yes
Tell me no
Tell me stop
And then it's go go go
I tell you what
Say anything
Tell me off
It's easy bang bang bang

On a beach with no bases
On a need to know basis

Tell me once again
'Bout your other boyfriend
And I'll understand
How the world will end

Tell me yes
Tell me no
Tell me stop
And then it's go go go
I tell you what
Say anything
Please don't say
It's over bang bang bang

Tell me yes
Tell me no
Tell me stop
And then it's go go go

Tell me what
Say anything
'Cause with you girl
It's over bang bang bang
Bang bang bang
