

Ghostfaced Killer

The Dead 60s

You better watch out
You better lock your door
What's that sound coming through my wall?

All those screams
Sounds like murder
The return of the Ghostfaced Killer

Hear the footsteps
They're coming up the stairs
Climbing the walls and they're moving round the chairs

All those screams
Sounds like murder
The Return of the Ghostfaced Killer

You better watch out
You better lock your door
Coz' you don't know who that killer will be waiting for

The Ghostfaced Killer!
The Return of the Ghostfaced Killer
The Ghostfaced Killer!
(Ey WiXXer, du hast deinen Aschenbecher vergessen!)
