

## Human Fly

## The Dead Brothers

Well, I'm a human fly  
It's spelt F-L-Y  
I say buzz, buzz, buzz, and it's just becuzz...  
I'm a human fly and I don't know why  
I got ninety six tears in my ninety six eyes

I got a garbage brain, it's drivin' me insane  
And I don't like your ride, so push that pesticide  
And baby I won't care, cuz baby I don't scare  
Cuz I'm a reborn maggot using germ warfare

I'm a human fly  
It's spelt F-L-Y  
I say buzz, buzz, buzz, and it's just becuzz...  
I'm a unzipped fly and I don't know why  
And I don't know, but I say

Buzz...ride tonight  
And I say buzz...rocket ride  
And I say buzz... I don't know why  
I don know I just don't know why?
