

Beach Party Vietnam

The Dead Milkmen

It's a beach party Vietnam
Surfin' with the Viet Cong
Cookin' hot dogs with napalm
A beach party Vietnam

Frankie and Annette were
Layin' on the sand
When Frank got a letter
From his Uncle Sam

It said: Get Moon Dog and
All your friends
You're all invited to a

Beach party Vietnam

- Hey Frankie, aren't you gonna give me your class ring?
- Oh I'm afraid I can't do that, Annette
- Why not?
- 'Cause I don't have any arms!
(AH!)

Annette, she wants Frankie's ring
Frankie wants Annette's thing
They're layin' on the West Coast
There's gonna be a wiener roast
