

## Big Deal

## The Dead Milkmen

Life sucks, then you die  
And your soul gets sucked into the sky  
Birds sing, I wonder why  
You eat a bowl of cereal and sigh

You're late for your class  
You're walkin' the halls without a pass

Big deal  
Big deal

Time flies, time crawls  
You're a prisoner trapped between its claws  
Life sucks, sometimes  
You gotta learn to live between the lines

Your feet are on the ground  
But the world keeps spinning you around

Big deal  
Big deal

Don't be worried, don't be down  
I'll be your stupid happy clown  
Keep your chin up in the air  
Shake your body like you just don't care

Birds sing, babies cry  
Life sucks and then you die

Big deal  
Big deal
