

My baby's got two hands  
My baby's got two feet  
My baby's got a forehead  
And all the chicken you can eat

My baby's got two elbows  
My baby sure has a nose  
My baby she's got ten toes  
And my baby's got a couple a' those

(You guys comin' to the Klan rally tonight?)  
My baby drives a truck  
My baby sure is good luck  
My baby has a pet duck  
And my baby is a heck of a ffff-riend

Yeah, that's right  
Somebody kicked my dog Mavis and I'm gonna find out just who the hell it was  
I'm all messed up on cough syrup now, so just like never mind
