

My Only Regret

The Dead Rabbits

Get me out get me out
get me out of this place
I can't take anymore
you drive me crazy

you are the reason for
the loss of my sanity
it's time I burn the past
and set myself free

Oh no it won't happen again,
I've dealt with you for long enough
no need to waste another breathe

Oh I,
I wish I could forget,
forget the day I met you
because that is my only regret

My regret

If I could wish I could turn back the hands of time
and walk away before you had the chance to ruin my life
I wont forget all of the thing's you've done
this is my farewell this is my kingdom come

Oh no it won't happen again,
I've dealt with you for long enough
no need to waste another breathe

Oh I,
I wish I could forget,
forget the day I met you
because that is my only regret

Oh no it won't happen again,
I've listened to your bullshit lies
one too many fuckin times,
Oh no it wont happen again
don't point the finger my way cause you are no plaster saint

Oh no it wont happen again,
Ive listened to your bullshit lies one too many fuckin times.

Oh no it wont happen again,
I've turned my back and walked away,

meeting you was my mistake
my mistake, meeting you was my mistake
