

On Top of the World -

The Dead Rabbits

You think you know me,
You don't know anything that's my life or on my mind.
I'm moving on this time,
You've been the weight that's crushing down on my bones,
You've been the demon that's claiming my soul.

Now I am on my way,
Now I can safely say,

We're staring in the eyes of living a life on top of the world,
On top of the world.
Spending all my time in the spot light on top of the world,
On top of the world.

Nothing's gonna stop us now,
No one's gonna hold me down,
You only get once so live it right,
On top of the world,
On top of the world.

You want to hate me,
Go ahead and spill the lies you preach against me.
Your words are our disease,
I am the cure for all the sickness you spread.
My satisfaction comes from making you sweat.

Now I am on my way,
Now I can safely say,

We're staring in the eyes of living a life on top of the world,
On top of the world.
Spending all my time in the spot light on top of the world,
On top of the world.

Nothing's gonna stop us now,
No one's gonna hold me down,
You only get once so live it right,
On top of the world,
On top of the world.

We're staring in the eyes of living a life on top of the world,
On top of the world.
Spending all my time in the spot light on top of the world,
On top of the world.
On top of the world.

Nothing's gonna stop us now,
No one's gonna hold me down,
You only get once so live it right,
On top of the world,
On top of the world.

Nothing's gonna stop us now,
No one's gonna hold me down,
You only get once so live it right,
On top of the world,
On top of the world.

On top of the world,
On top of the world,
On top of the world,
I'm on top of the world.
