

# I Cut Like a Buffalo

The Dead Weather

You know I look like a woman but I,  
Cut like a buffalo,  
Stand up like a tower,  
Tall,  
Then I fall just like a domino,

Well you can give me if you want to,  
Do what ever makes you happy,  
You should try to take it easy on me,  
'Cause I don't know how to take it,

You're a prick with a pin woman,  
Wake me up when you're broke,  
Only if it's broken,  
You know I treat you like a joke but you,  
Can't tell when I'm jokin',

You cut a record on my throat,  
But the record's not broken,

Is that you chokin'?  
Is that you chokin'?  
Is that you chokin'?  
Or are you just jokin'?

You know I look like a woman but I,  
Cut like a buffalo,  
Wake me up when it's broke,  
Just like a woman,  
cut a record on my throat,  
Then you break me wide open

Is that you jokin' with me?

Well you can give me if you have to,  
What ever makes you happy,  
But don't take it easy on me,  
I'll never take it easy,

You know I look like a woman but I,  
Cut like a buffalo,  
Stand up tall like a tower,  
Then I fall like a domino,

You're a prick with a pin woman,  
Push it into my skin girl,  
I'm a prick when I sin and I,  
Know I can't win,

I look like a woman and I,  
Cut like a buffalo
