

New Pony

The Dead Weather

Once I had a pony, her name was Lucifer
I had a pony, her name was Lucifer
She broke her leg and she needed shooting
I swear it hurt me more than it could ever have hurt her

Sometimes I wonder what's going on in the mind of Miss X
Sometimes I wonder what's going on in the mind of Miss X
You know she got such a sweet disposition
I never know what the poor girl's gonna do to me next

They say you're usin' voodoo, your feet walk by themselves
They say you're usin' voodoo, I seen your feet walk by themselves
Oh, baby, that god you been prayin' to
Is gonna give ya back what you're wishin' on someone else

Come over here pony, I, I wanna climb up one time on you
Come over here pony, I, I wanna climb up one time on you
Well, you're so bad and nasty
But I love you, yes I do
