

Glamorous Teen-specialist In Gang-bang City

The Dead

One right up in the cave
One right up in the ass
I'm the glamorous teen-specialist
My dick will make a mess!

Unprotected game
Nitroglycerine in my balls
Shameless nudity
how the hammer falls!

Like a ballerina
Uncommon cool
A little firecracker
For me to start

The sweet taste of sixteen
Charm like a liquor

Endless mass-penetration
Oral cock masturbation
Shameless nudity
I'm the specialist in Gang Bang City

The sweet taste of sixteen
Charm like a liquor
According to my teenage whore
Young, tender and just for me!
