

Sweet Turbo Stench

The Dead

Well, let the stench flow
Now, Mr. Brown (embraces your face)
Smell, the putrid anal vomit!
Made, for your nose only!

Say how hot my balls are
That I'll give to you
You'll get taste my lady
See your leader right in me

Offensive exhalation
Makes me shiver with delight
(Successful) evacuation of my bowels
Is my biggest pride

Burning in my asshole
Fermentation in my guts
Extended lustful groaning
Explosions from my anus
Apocalypse in my toilet
I give birth to fancy cakes
Sweet turbo stench
Fuck me if I'm mad

Brown and molten
My morphine
Shit monger
Overdose
