

A Beginning

The Dear Hunter

The Silence Dominates
Divining Resolutions From My Hands; Lines Drawn In The Sand...
But My Volitions Wry
My Temperance Twisted Faced With Failing Light
Nothing In My Sight

If I Fall Into The Ocean; Send My Soul Into The Sea;
Will These Reflections Trouble Me?
Will I Dream A Final Dream...?
I Sensed This Silhouette Who's Standing Vigil Growing Very Sore
...
Just One Moment More...
Before I Close The Curtain; Fate Uncertain;
Spirit To The Dark; Endlessly Apart

Can I Fall Into The Ocean?
Send My Soul Into The Sea
No Distant Echoes Haunting Me
No Further Phantoms Will I See; The Silence Held Eternally...

But What If The Silence Is Broken By The Ones You've Loved?
Incredibly Present With Heavenly Breath To Wake You Up
With Nothing Left To Poison A Portrait Of Who I've Become
Only Elation Remains, Protecting Us From This Never Ending Night

Dear Apparition, While My Senses Last
Is Absolution Far Too Much To Ask?
Will You Forgive A Truly Troubled Past?
The Silver Lining Still Remains
The Sights I've Lived To See
So Trust That With This End, A New Beginning's Waiting Patiently...
