

## Father

## The Dear Hunter

And what of the father?  
Will he analyze?  
And what about the mother?  
Will she discover the truth  
Behind this lie we're living?

(I knew there was a reason I kept this)  
(I knew there was a reason I kept this)  
Now everything we've ever had  
Is here for us  
Now everything we've ever had  
Is here for us

Don't worry about the Father  
You'll take care of him  
And as for the mother,  
She always loved her son  
And you look like him
