## The Dear Hunter

With the good chance that we crash, let's say our grace (our grace)

In your final breathe believe, you're not alone.

Help will come,  
Yeah you can come back home.  
'Cause help is on the way,  
Yeah you can come back home.  
So come back home

As your eyes begin to fade, your mind will wander (will wander)  
This life is just a game we play, that we can never win.  
But don't give up, no don't give up.

Help will come,  
Yeah you can come back home.  
'Cause help is on the way,  
Yeah you can come back home.  
So come back home

Now in the end it's coming clear, you're not alone  
'Cause everyone you've ever loved is waiting here for you  
So don't give up, no don't give up.

Yeah, 'cause help will come,  
Yeah you can come back home. (You can come back home yeah)  
'Cause help is on the way,  
Yeah you can come back home. (You can come back home)  
So come back home
