

# I Couldn't Do It Alone

The Dear Hunter

Feeling your body burn down into your bones, don't let  
it show.

Watching his body fall flat into the dirt, you know it  
had to hurt.

And he begins to stand, he's shaking again!

Bruising your body right down into your soul, O-woho!

Busting your lip and now the blood begins to run.

You never had enough, he's coming back alone.

He's shaking again!

Wait, stay, pick it up if you want,

Me, please, I couldn't do it alone.

I couldn't do it alone.

Fate, place, I knew you had it in you,

Wait, stay, just long enough that you know,

Just long enough that you know.

Busting your body right down into your soul, don't let  
it show.

Splitting your lip and now the blood begins to run.

You never had enough, he's coming back alone.

He's shaking again!

Wait, stay, pick it up if you want,

Me, please, I couldn't do it alone.

I couldn't do it alone.

Fate, place, I knew you had it in you,

Wait, stay, just long enough that you know,

Just long enough that you know.
